Apartments for older people

Pennington Court

BEESTON

**A care home is not
your only option**

Each one-bedroom apartment provides a lounge/dining area and quality kitchen

It is widely recognised that independence is key to well being. Our 'Extra Care Plus' Apartments allow you to maintain your personal freedom safe in the knowledge that support and care are close at hand when you need them.

In the past older people who had a health and social care need, would have had only one option: to choose a care home. Today however, our 'Extra Care Plus' Apartments provide an affordable option (supported by a benefits package if required). It's an appealing alternative that allows you to rent your accommodation and have a package of services tailored to your life and social care needs.

The services can be accessed via a 'Personal Budget', which gives the client the choice and control over the services they receive.

An independent advocacy service is available to speak to for assistance with benefit claims.

Pennington Court is conveniently located on Hunslet Hall Road in Beeston, close to Leeds city centre and on a major bus route, with a stop just outside the facility.

Enjoy a fulfilling social life. As a resident you can look forward to a range of social activities including shopping trips, visiting entertainers, meals out, craft activities, seaside away days and parties to celebrate each season and special occasions during the year.

From our experience gained from supporting and caring for older people for 30 years we understand that moving to a new home is a difficult time for you and your family and we are there to help each step of the way.

Our apartments offer you the benefit of living in a safe, secure, companioned environment with a 24-hour emergency call system with on-site response and support services provided by our dedicated team.

We never overlook the value of freshly prepared meals. That's why every meal from breakfast to evening meals are lovingly made by our own dedicated catering team. Meals include special dishes for individual dietary requirements and a variety of nutritionally-balanced dishes which are freshly prepared on the premises.

With our package of services you'll enjoy all the benefits of living in your own apartment, without any of the stresses and pressures of maintaining it.

After all, there are no individual bills, just one reasonable weekly charge covers everything.
